

Electronic Scoreboards

HTS-B3

The HTS-B3 multifunctional scoreboard is our most popular model and ideally suited to 1 or 2 court facilities, with features including highly-visible 200mm LCD game time display.

Supplied with a cabled control console (with option to radio upgrade), scores can be adjusted from 0-199. Time can also be adjusted as required and a siren is supplied that automatically sounds on end of period.

Additional functions include period indicator, team fouls, time outs and general purpose arrows and indicators.

Other specifications include:

Size:	1500mm x 1000mm x 70mm		
Weight:	25 kg		
Digits:	Time:	200 mm dual row	
	Score:	190 mm red	Team Fouls: 170 mm green
	Time Outs:	170 mm yellow	Period: 170 mm yellow

Supplied with control console, siren and mounting hinges. Plug and play operation.
