

## Powergame—Outdoor Sports Surface

Powergame is a premium outdoor sports surface that is laid over any hard surface and is certified by all the main international organisations. It is the only outdoor surface certified by FIBA for basketball.

- Powergame is designed to be used outdoors in all climates and extremes.
- Powergame is not affected by the court slab expanding, contracting or cracking as it floats over the surface.
- Powergame is cheaper than most surfaces after 10 years as no maintenance is required.
- Powergame is the only outdoor surface in the world that is certified by FIBA basketball for outdoor use.
- Internationally certified for all outdoor sports – Tennis ITF – fast surface, Futsal, Netball etc.
- Been used around the world under all conditions for over 35yrs.
- Has a 15yr warranty.
- Cooler on hot days as cool air circulates under the court. Does not heat up in the hot sun or reflect heat.
- Free draining, rain or showers drains through and away. Courts can be used quickly after showers. Also self-cleaning.
- Safer to players from injuries and bio-metrically friendlier to players when jumping, running, changing direction. Has the same cushioning affect as an indoor sprung timber floor.
